Disney RALPH BREAKS THE INTERNET

Have an adult cut out the cards from all six pages. Fold each card on the indicated line and glue or tape the inside to make a two-sided card with the logo on one side and the character on the other. Place the cards character-side down on a smooth surface and mix them up. Turn over two cards at a time to see if they match exactly. If they don't, turn them face down again. Take turns turning over cards using your memory to recall where a matching card may be located. The person who matches the most pairs wins!
